#### DEDICATION

We, the Seniors of 1948-49, wished to dedicate our Signal to a swell guy. It did not take us long to make a selection. We picked a fellow who has been a friend and pleasure to us all. So to you, John Harmon, goes our yearbook. We won't forget you.

#### SIGNAL STAFF

First Row: Barbara Wise, Arlene Gold, Lillian Sikora,  
Joan Behling, Lorene Fisher, Jim Shepherd.

Second Row: Janice Witting, Donna Polen, Marilyn Rizer,  
Nancy Finnicum.

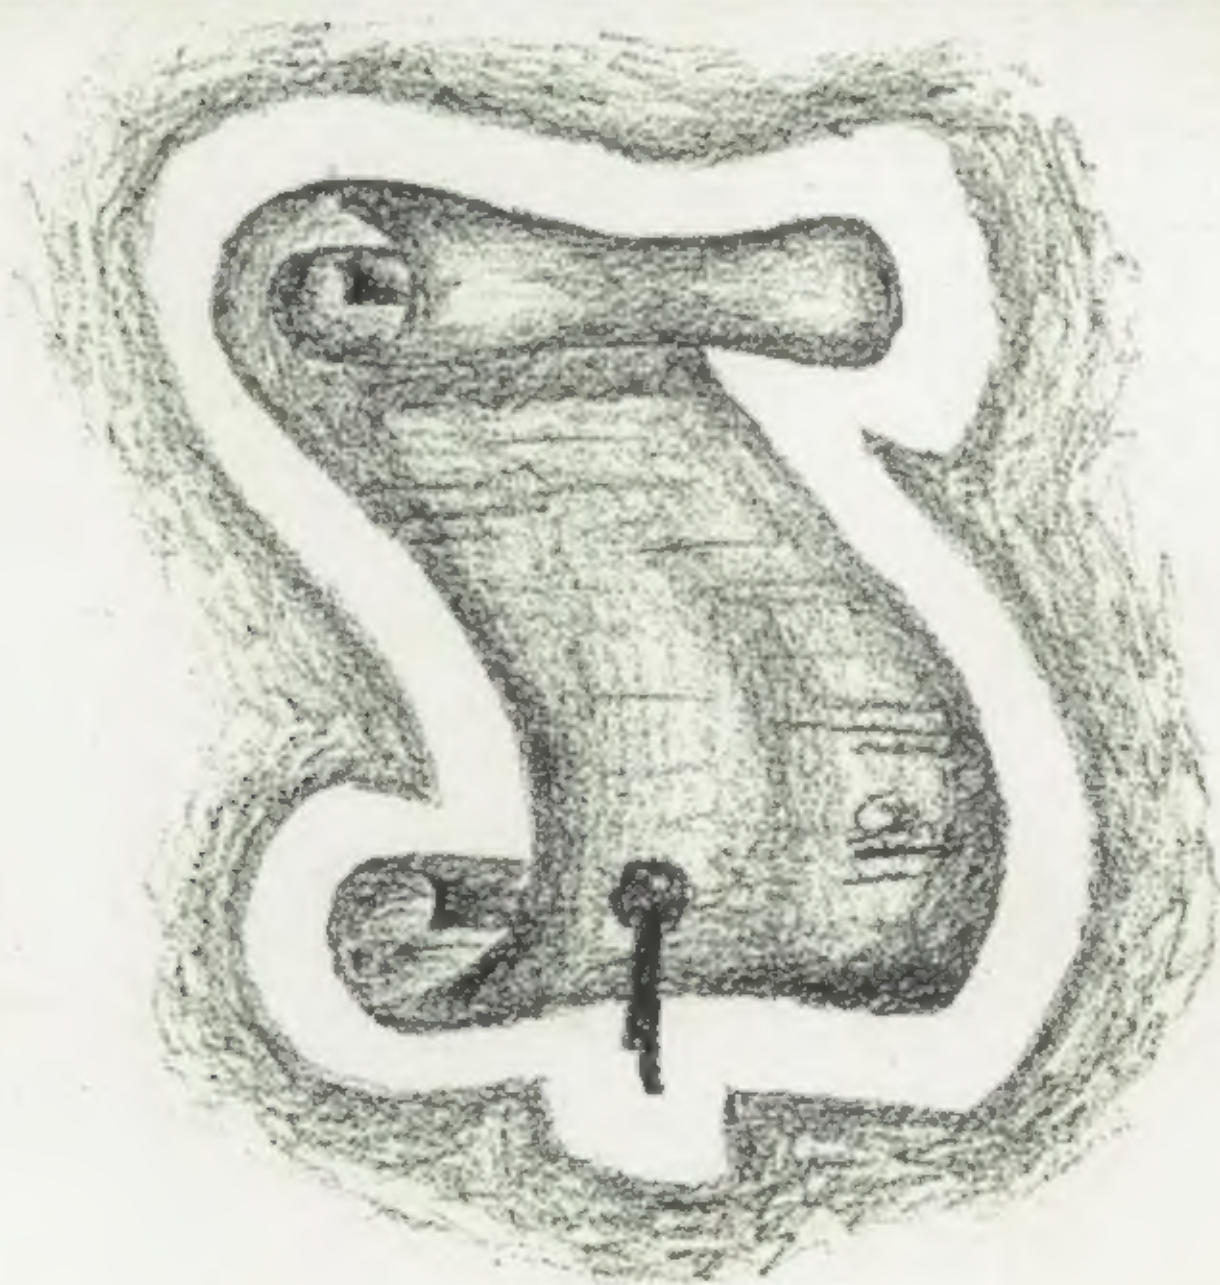

Third Row: Margie Bache, Harold Polen, Carl Case, Dick  
Mico.

The Signal Staff, though it was small, did a swell job on the Annual. It was a hard job because, as usual, the majority of the work was left until the end. In the end, though, the Signal was appreciated by everyone.

## PROPHECY

Good afternoon, ladies and gentlemen! This is Jim Shepherd coming to you over Station DHS in Dennison, Ohio.

Yes, this is a great day. It is the day of the 43rd annual football game between Dennison and Uhrichsville. This game has come to be an event of nation wide interest.

Naturally, on a great day such as this, we have a great many celebrities among us, whom I will introduce to you during the course of the game.

The Dennison team this year has a new coach. He is none other than Don Wright, an alumnus of Dennison High School. Don has been doing a splendid job this year so we have great hopes for the team.

We have several visiting bands here this year. Among them is the Ohio-All-Girl band with Marilyn Rizer as lead majorette. The Dennison band this year is directed by Kaythe Sterling.

Zoom! There are a couple of planes buzzing and circling the stadium. These planes are piloted by Harold Polen and Bill Valentine, also alumni of Dennison.

This is really the game of the year and anything might happen so all preparations are on hand. The ambulance is at the end of the field and Dr. Carl Case has his three nurses, Marjorie Bache, Mrs. Donna Polen Zay, and Mrs. Joanne Behling Heddleston.

No one is going to go hungry at this game--no sir, not with Dick Mico and his atomic pop corn machines on hand. However, he will have a little competition from the Branch Pretzel Stand which belongs to Bonnie Branch.

We have some very busy news reporters pushing away at their pencils. There is Lillian Sikora, reporter for the Dennison Gazette, the newspaper that is published every morning and evening and owned by Mary McCluskey.

Coming up to the broadcasting booth are two former Dennison Football stars, Jack Aldergate and "Chris" Saggio. Jack and "Chris" are now playing with the Cleveland Browns.

Incidentally, referees for this game are Sam Fausto and Walter Eberly.

Now, before this exciting game begins, I have been asked to extend thanks to the following individuals and organizations for their help and patronage given the team; The George Case Trucking Co., The Wise-Gold School of Singing, (this school is operated by Barbara Wise Plotts and Arlene Gold Hodgkinson) The Weaver Beauty Salon. We interrupt you now to hear a few words from radio comedienne, Janice Witting Cable, and her bookkeeper and moneykeeper, Janice Clantz Riley and Janice Reiser.

Oh, you say you must go because you are having a hen session with Darleen Blake and Barbara Trimmer. O.K. These two, being telephone operators, would naturally have a lot to say.

Also, ladies and gentlemen, after the game there are a variety of eating places; for instance, the Peter Paul, owned by Jim Spinell, the Parker House of Fine Foods, owned by Doris Parker, the Finnicum-Fisher French Fry Spot and Gentilini's Spaghetti House. You can't go wrong by any of them folks.

### PROPHECY CONTINUED

Now to continue with our thanks to the Davidson-Callihan Employment Agency, the Lukens-Malterer Insurance Co. and last but not least the Fetter's Frilly Pussy Dress Shop.

And now to get on with this game--the teams are lined up and there goes the gun--the the electricity! Ladies and gentlemen, I am sorry but you will have to read about this game in the paper; you see, the electricity on the radio wires is operated by none other than Roy Smith.

## CLASS HISTORY

Looking back from 1949, we will stop at the school year of 1945-46. The class we are interested in is the Freshman class. It was a class of sixty pupils, among whom some participated in most of the activities offered.

We recall now that in that year we had one letterman on the football squad--Jon Postel who we lost to Uncle Sam.

Our Freshman year we chose Janice Clantz for attendant to the Homecoming queen.

The high light of this year was the Freshman-Sophomore Prom.

During our Freshman year we lost a beloved classmate, Nancy Lang, whom we shall never forget.

One year later--Sophomore Class. We have decreased to forty-five. Though we are fewer we are none the less active.

Joan Nalley was the Sophomore attendant to the Homecoming queen. Nancy Rinicum was crowned queen of the Freshman-Sophomore Prom with Joan Nalley and Janice Clantz as attendants.

Now we are Juniors with only thirty-five members. The main event of the year was the Junior-Senior Prom.

Officers of our Junior Class were: "Chris" Saglio, President; Jim Shepherd, Vice-President; and Bill Valentine, Secretary-Treasurer.

Under the supervision of Miss Irma George, the Juniors presented a play, Ready Made Family.

Janice Clantz was the Junior attendant to the Homecoming queen.

Uncle Sam took five of our boys this year.

At last, our Senior year! But now there are only thirty-eight of us left.

We had a successful football season winning the Class B Championship. But better than that, we won the game with Uhrichsville. The score was 19-0. A great deal of credit is given to the new coach, Mr. Allen.

At the Homecoming Game with Carrollton, Doris Parker was Crowned queen. Darlene Blake served as Senior attendant. At this time eight of the Senior girls were presented yellow pom-poms for their services in the band. They were: Margie Bache, Arlene Gold, Donna Polen, Mary McCluskey, Marilyn Rizer, Lillian Sikora, Edythe Sterling, and Barbara Wise.

Dick Mico, Class President, with the help of the others, raised money to take a trip. The other officers were: Jim Shepherd, Vice-President; Carl Case, Secretary-Treasurer.

The Seniors worked hard on the year book, especially Donna Polen who was editor; they presented their Senior Play, and then took part in the usual graduation proceedings. All these--Class Day, Sacca auerete, and Commencement climaxed a very successful four years and we all sincerely hope that the many years to come will be as successful.

### JUNIOR CLASS HISTORY

We, the Junior Class of 1949, entered the famed portals of "good old D.H.S." in the year of 1947 green and young, but our shyness soon wore off a little toward the last of the semester.

As members of the class, you can recall most of the things we did when we were Freshman, so we aren't going to mention anything right now about our first year at D.H.S. except that we were hopeful future graduates of Dennison High School.

Many of our class mates participated in most of the social activities of the school, such as football, basketball, track, band, Hi-Teen, G.A.A., National Honor Society, Den-Hi Staff which quite a few Juniors belong.

## JUNIOR CLASS HISTORY CONT.

We wish to mention our out-standing athlete Ross Fausto, who played his first year on the Varsity this year and did a swell job. We are hoping that Ross, in the future will continue to do his best as a member of the team.

In our dramatic achievement we Juniors presented our first play, "Mamma Had a hunch" and our looking forward to presenting the annual Junior-Senior Prom.

We are not far from the top and we, the Juniors of today, will be the Seniors of 1950.

#### FRESHMAN HISTORY

We, the Freshman Class of 1949 have completed our first year of high school in the famed portals of D.H.S. and are looking forward to enjoy the next three years of our school days.

When we entered high school, we were full filled with determination to prove to the upper classman that we were not "just another class of Freshman". Many of our students show great possibilities of being outstanding students in the coming years.

## FRESHMAN HISTORY CONTINUED

As the band is expanding each year, its members look forward to an ever increasing number of worthwhile activities.

### MIXED ENSEMBLE

The High School Mixed Ensemble participated in school assemblies at Christmas and Thanksgiving. The ensemble has also performed at various out of town places such as Tippecanoe and Pleasant Valley.

This year the ensemble joined the Tuscarawas County Philharmonic Chorus to perform the "Messian", "Highwayman", and "The Seven Last Words of Christ".

The members of this ensemble enjoy singing together so much that even though they have no regular period in which to practice they get together in their leisure time.

### GIRLS CHORUS

The chorus also presented its annual formal concert in April. The rest of the year was spent in doing minor activities in the school.

Myrnie Bache, who is a Sophomore has been serving for one year and we all hope she may continue. Her bright smile has won her many friends who will never forget her.

The highlight of the campaign was reached when Dennison trounced Uhrichsville 19-0. This was pleasing to everyone, but especially so to the ten seniors on the team.

Lon Wright and Louis Saggio were elected co-captains of the team before the season started. An oddity of the season was that every time Dennison received the kick-off, they won, while every time they kicked-off, they lost.
